## ITALIAN WINE CLASSIFICATIONS

**DOCG Denominazione di Origine Controllata e Garantita** This is the highest classification Italian wines can be awarded this was first introduced in 1980. DOCG are the best of Italian wines. The classification means that there are controlled production methods (controllata) and guaranteed wine quality (garantita) with each bottle. There are strict rules regulating the production of DOCG wines, most of them inherent to the type of grape allowed for production, the yield limits, the ripening of the grapes, the vinification procedures and the specific aging. A wine must be produced as DOC for 10 years before getting the DOCG title.

**DOC Denominazione di Origine Controllata** DOC is the second highest quality level was created in 1963, with Denominazione di Origine Controllata meaning "designation of controlled origin". In order to achieve this classification, there are still very strict rules which need to be followed regarding quality and authenticity but not to the extent of DOCG.

**IGT Indicazione Geografica Tipica** What it stands for: 'Indicazione Geografica Tipica' Created in 1992, IGTs were intended to provide a tier above the basic Vino da Tavola (VdT) for quality wines that didn't meet the regulations for DOC or DOCG. So-called Super Tuscan wines are a prime example. The IGT classification focuses on the region of origin, instead of grapes conforming to the varieties or styles of the wine under consideration.

**VdT Vino da Tavola (VdT)** means "table wine". Table wines have no geographical indication and are made from grapes grown anywhere in Italy. These are wines generally of lower quality; no requirement is established, other than to be a healthy wine. The color and alcohol content will simply be expressed on the label.

*Italy has a wider selection of wines than anywhere else in the world, with up to 2,000 unique grapes grown across the country. Italy is most famous for wines made from its indigenous grapes.*

# FERRARI

*Metodo Classico*

“Wine is the poetry of earth”

1902	THE DREAM	The legend of Ferrari began with a man, Giulio Ferrari, and his dream of creating a wine in Trentino capable of competing with the best French Champagnes.
1952	THE EVOLUTION	As he had no children, Giulio Ferrari began looking for a successor to whom he could entrust his dream. Among many candidates he chose Bruno Lunelli, owner of a wine shop in Trento. Thanks to his passion and entrepreneurial talent, Bruno Lunelli succeeded in increasing production without ever compromising on quality.
70's - 00's	A FAMILY TRADITION	Bruno Lunelli conveyed his passion to his sons; under the leadership of Franco, Gino and Mauro, Ferrari became the market leader in Italy and the nation's celebratory wine par excellence.
TODAY	AMBASSADOR'S OF ITALIAN LIVING	The third generation of the Lunelli family is keeping the Ferrari dream alive. Marcello, Matteo, Camilla and Alessandro lead the company with the aim of combining innovation and tradition, taking Ferrari around the world as ambassadors of the Italian Art of Living.

Perle	<i>The best Chardonnay from the family's vineyards is used to make this vintage Trentodoc; it is the wine that best summarizes the art of Ferrari. The phrasing of its taste is highly elegant, with a crescendoing finish.</i>		180
Perle Zero	<i>A Trentodoc without any dosage, which expresses the very essence of Chardonnay from mountainside vineyards.</i>		270
Perle Nero	<i>The first and only Blanc de Noirs of the Company. This Reserve Trentodoc wine is the result of forty years' experience of a variety as complex and delicate as Pinot Noir.</i>		370
