FERRARI

TRENTO

“Luxury sparkling wine from the Italian Alps”

Founded in 1902 by Giulio Ferrari, who was the first to recognise the extraordinary potential for wine in his land of Trentino. Ferrari Trento is today Italy’s leading producer of sparkling wine using Metodo Classico (the traditional method). Ferrari Trento has a long legacy of excellence carried forth today by the Lunelli family, which has made Ferrari Trento an exemplary ambassador of the Italian Art of Living in the world.

**SIX TIMES «WINE PRODUCER OF THE YEAR» AT THE CHAMPAGNE & SPARKLING WINE WORLD CHAMPIONSHIPS
2015, 2017, 2019, 2021, 2022, 2023**

“Many producers enter the competition each year with more wines than Ferrari Trento does; one, this year, participated with twice as many products. So, it is not just a question of numbers: we are talking about the strength and consistent quality that those numbers demonstrate”

		Glass	Bottle
Ferrari Maximum Blanc de Blancs	<i>A Blanc de Blancs with great finesse, personality and fragrance, this Trentodoc is pure Chardonnay from the mountain, making it perfect for any toast that wants to celebrate #ToTheMaximum moments.</i>	34	149
Ferrari Maximum Rosé	<i>Fragrances of small fruits for a rich and enveloping Trentodoc, a happy synthesis of Pinot Noir and mountain Chardonnay. In the glass, the pink reflections of the bubbles accompany the entire meal. A sparkling wine of great elegance and versatility.</i>	34	149
Ferrari Perlé	<i>The vintage Trentodoc that best describes the Ferrari style, a synthesis of elegance, freshness and harmony of the best mountain Chardonnay grapes. This wine owes its name to the talent of Giulio Ferrari, who, at the beginning of the 1900s, decided to give this prestigious selection a name that recalled the adjective “bubbly”.</i>		199
Ferrari Perlé Zero	<i>A zero-dosage Trentodoc that expresses the essence of mountain Chardonnay. It is a mosaic of vintages that takes the refined art of cuvée creation to the extreme: steel enhances the fruit and aromatic elegance of the Chardonnay, wood lends structure and richness of flavour, while glass lends the expressiveness and depth that make this Trentodoc unique and irresistible.</i>		279
Ferrari Perlé Nero	<i>The challenge of pure Pinot Noir for Ferrari’s first and only Blanc de Noirs: a vintage that is the result of forty years of research into this grape variety. Extraordinarily different and proudly unique.</i>		399
Giulio Ferrari Riserva del Fondatore	<i>Outstanding beyond all expectations. Pure Chardonnay, fascinating, satisfying, evocative. A great Riserva, an icon par excellence of Italian sparkling wine, the Giulio Ferrari is capable of meeting the challenge of time.</i>		595

ITALIAN WINE CLASSIFICATIONS

DOCG Denominazione di Origine Controllata e Garantita This is the highest classification Italian wines can be awarded this was first introduced in 1980. DOCG are the best of Italian wines. The classification means that there are controlled production methods (controllata) and guaranteed wine quality (garantita) with each bottle. There are strict rules regulating the production of DOCG wines, most of them inherent to the type of grape allowed for production, the yield limits, the ripening of the grapes, the vinification procedures and the specific aging. A wine must be produced as DOC for 10 years before getting the DOCG title.

DOC Denominazione di Origine Controllata DOC is the second highest quality level was created in 1963, with Denominazione di Origine Controllata meaning "designation of controlled origin". In order to achieve this classification, there are still very strict rules which need to be followed regarding quality and authenticity but not to the extent of DOCG.

IGT Indicazione Geografica Tipica What it stands for: 'Indicazione Geografica Tipica' Created in 1992, IGTs were intended to provide a tier above the basic Vino da Tavola (VdT) for quality wines that didn't meet the regulations for DOC or DOCG. So-called Super Tuscan wines are a prime example. The IGT classification focuses on the region of origin, instead of grapes conforming to the varieties or styles of the wine under consideration.

VdT Vino da Tavola (VdT) means "table wine". Table wines have no geographical indication and are made from grapes grown anywhere in Italy. These are wines generally of lower quality; no requirement is established, other than to be a healthy wine. The colour and alcohol content will simply be expressed on the label.

Italy has a wider selection of wines than anywhere else in the world, with up to 2,000 unique grapes grown across the country. Italy is most famous for wines made from its indigenous grapes.
